

产品型号	CT220761				
额定输入	5A	5A	10A	10A	10A
额定输出	2.5mA	5mA	4mA	5mA	10mA
推荐负载	100Ω	50Ω	100Ω	100Ω	50Ω
精度等级	0.2	0.1	0.1	0.1	0.1
外形尺寸	 The technical drawing illustrates the physical dimensions of the CT220761 sensor. The left view is a side profile showing a main body height of 17.5 mm, a base thickness of 5 mm, and a base width of 0.8 mm. An asterisk (*) is positioned above the main body. The right view is a top-down perspective showing an overall width of 19.8 mm and an inner width of 16.2 mm. The total height is 18.2 mm, with a mounting hole diameter of 5 mm and a distance of 10.7 mm from the base to the hole center. A red coil is depicted on the right side, with an asterisk (*) marking its top. The distance from the bottom edge to the coil is 12.7 mm.
