| 外形尺寸 |  <p>The technical drawing illustrates the physical dimensions of the CT221961 current transformer. The front view (left) shows a semi-circular core with a central hole of diameter Ø6. Key dimensions include a total width of 16.5, a total height of 16.8, a base width of 15, and a base height of 0.85. The distance from the center of the hole to the right edge of the base is 12.7. The side view (right) shows a rectangular profile with a main body width of 7 and a smaller section on the right with a width of 3.5.</p> |      |       |      |      |
