

产品系列	CH921501			
额定输入	25A _{DC}	50A _{DC}	75A _{DC}	100A _{DC}
额定输出	50mA DC			
电源电压	±9--±15V DC			
精度等级	±1%			
外形尺寸	 The technical drawing shows the physical dimensions of the CH921501 module. The front view (left) indicates a total width of 36.5 mm and a central width of 12.7 mm. The height is 27.2 mm, with a mounting tab height of 7 mm and a base thickness of 0.4 mm. The distance from the left edge to the center is 11.4 mm, and the distance between the mounting tabs is 22.86 mm. The side view (right) shows a total height of 14.3 mm and a base width of 6.55 mm. The distance from the base to the top of the module is 4.5 mm, and the distance from the center to the right edge is 7.75 mm.
