

MODLE	CH921401	
RATED INPUT	50A _{DC}	100A _{DC}
RATED OUTPUT	50mA DC	
POWER VOLTAGE	±9--±15V DC	
ACCURACY	±1%	
DIMENSIONS	 The technical drawing consists of two views of the CH921401 module. The top view (plan view) shows a rectangular module with a width of 36.5 and a height of 29.3. It features a central rectangular cutout with a width of 16.2 and a height of 10.5. The distance from the left edge to the start of the cutout is 5.08, and the distance from the end of the cutout to the right edge is 22.86. The distance from the bottom edge to the center of the cutout is 16.8. The bottom edge has three mounting points: a negative terminal (-) on the left, a positive terminal (+) on the right, and a ground symbol in the center. The distance between the negative and positive terminals is 0.65. The side view (elevation view) shows the module's profile with a total width of 30 and a total height of 15.48. It features two circular mounting holes with a diameter of $\varnothing 1.8$ and a central vertical slot. The distance from the top edge to the center of the mounting holes is 2.5.
