

MODLE	CH931781	
RATED INPUT	5mA _{DC}	10mA _{DC}
RATED OUTPUT	1.65±0.625V DC	
POWER VOLTAGE	+3.3V DC	
ACCURACY	±1%	
DIMENSIONS	 The image contains two technical drawings of a rectangular module. The left drawing is a top view showing a square-like footprint with dimensions: overall width 26, overall height 29.2, an inner square area of 15.24 by 22.5, and a bottom section with a width of 3*5.08 and a height of 4. There are four small squares representing mounting holes: two at the top corners and two at the bottom corners. The right drawing is a side view showing the module's profile with a width of 15 and a height of 1. It features two sets of mounting holes on the right side: the top set is labeled '4-φ0.8*0.8' with a vertical spacing of 5, and the bottom set is labeled '4-φ0.65*0.65' with a vertical spacing of 1.
